 Number of guidance counsellors	2

Overall Performance for AL MAWAKEB SCHOOL AL KHAWANEEJ

Summary of Inspection Findings 2021-2022

Al Mawakeb Khawaneej is a new school opened in 2018 in the Al Mizhar area of Dubai. The school is a US American school. It uses the Massachusetts common core and Next Generation Science curriculum standards for students from pre-K to grade 12. The MoE curriculum is used for Arabic, Islamic Education, UAE Social Studies and Moral Education. The first inspection of the school was in March of 2022. The school has 1016 students and increase of 300 students. Eighty-one percent of the students are Emirati.

The school's founding Principal left at the end of the last school year. Ms Samira Al Awadi was the Acting Principal at the time of the inspection. The turnover of teachers was 14%.

Al Mawakeb Khawaneej is a good school overall. It meets the UAE expectation for all schools. The school leaders support the school, through their leadership and direction. They know the school well and have a good understanding of what needs developing further.

In all subjects students make good progress. Students are keen to learn and are building good learning skills. Teachers plan interesting lessons and use technology or activities to support learning in the classroom. The school keeps track of student progress over time. This helps when students might need extra support. Students have opportunities to take part in extra-curricular activities, including events outside of school. Students can take some Advanced Placement (AP) subjects.

The care and support of students is a strength of the school. Students of determination have the help and support they need in lessons. All students feel safe in a family atmosphere where everyone is cared for and respected. Their wellbeing is important. The school site is very safe, and students are well protected. Parents are an important part of the school community.

The school needs to give students more opportunities to improve their learning skills through inquiry and investigation. The teachers need to share best classroom teaching approaches.
