Teachers	
 Number of teachers	38
 Number of teaching assistants	13
 Number of guidance counsellors	1

## Overall Performance for BRIGHT RIDERS SCHOOL

## Summary of Inspection Findings 2021-2022

The Bright Riders School opened in 2018. The school is located in Dubai Investment Park. The school is for boys and girls and offers the Indian CBSE curriculum from Grades 1 to 7. The curriculum in the Kindergarten is based on the English Early Years Foundation Stage (EYFS). The school's first inspection was in February 2022

The Principal, Deepa Shetty, has been at the school since it opened in 2018. To support the growing number of students, the school added 15 new teachers for the 2021-22 school year. There are 558 students from KG1 to Grade 7.

The school provides an acceptable quality of education for its students. It is working towards fully meeting the expectations of quality education set out by the government of the UAE. The school leaders understand the difference between adequate and good or better teaching and learning. They have successfully identified the key factors needed to improve the school.

Although students make acceptable progress in all subjects, their current levels of attainment in Arabic and mathematics are not strong. Students of determination are supported and make acceptable progress. Students and teachers use technology to make learning more interesting. They take part in a variety of after-school activities and enjoy a range of sporting and artistic events such as music and dance.

The school offers high standards of care and security. The buildings are clean and hygienic. Parents feel welcome at the school. They are an important part of the school community.

The next steps for the schools are:

- to improve teaching consistency, so that it is at least of a good standard in all subjects and phases, and
- to provide the necessary levels of learning support for all students.
