WHAT ARE THE SCHOOLS' STRENGTHS AND POINTS TO IMPROVE?

BEST FEATURES OF THE SCHOOL

- The very good achievement of students in the high school and in mathematics in the middle school
- Students' outstanding personal and social development
- The very good curriculum design and adaptation, which has a positive impact on the achievement of high school students
- The high level of parental involvement in supporting their children's education and well-being

POINTS TO IMPROVE

- Improve standards of literacy across the school
- Ensure teachers in the upper phases provide opportunities for students to carry out deeper research using technology
- Ensure that teachers make good use of assessment information to plan learning for individual students

WELLBEING

THE QUALITY OF WELLBEING PROVISION AND OUTCOME IS AT A HIGH LEVEL

Highly effective procedures to ensure students' safety and security are seen throughout the school. Well-being is a priority and data analysed from school surveys leads to effective interventions. Staff are trained to support social-emotional learning and respond to students' well-being needs. Students report feeling safe and confident. An open-door policy for students, staff and parents ensures ready access to a counselor, well-being staff and the principal.
